

# KINESIOLOGY (BS) - EXERCISE SCIENCE CONCENTRATION

---

## Admission Requirements

Students transferring into the Exercise Science program from another degree program at Columbus State University or from another institution must have a minimum overall grade point average of 2.50 based on a 4.0 scale. Individuals must obtain a change of major form from the Department Chair before entering the program.

## Additional Program Requirements

KINS courses in the Field of Study Requirements, Required for the Major, and Major electives must be completed with a minimum grade of "C" or better.

KINS 4131 Exercise Physiology and KINS 3135 Kinesiology may only be repeated twice. Students may only earn a D, F, or WF from these courses once; earning a D, F, or WF more than once in either of these courses will make a student ineligible to complete the exercise science concentration.
