

KINESIOLOGY (BS) - HEALTH & PHYSICAL EDUCATION TEACHER CERTIFICATION CONCENTRATION

Admission Requirements

During the sophomore year, students intending to complete a teacher education program make formal application to the teacher education program. Normally, this occurs after the student has completed three semesters of full-time course work. Admission to Teacher Education is completed through TK20. For further information please go to <https://cctl.columbusstate.edu/teacher-education.php>. (<https://cctl.columbusstate.edu/teacher-education.php>)

Additional Program Requirements

Following admission to the teacher education program, a review is conducted each semester to determine retention in the teacher education program.
