KINESIOLOGY (BS) - HEALTH & PHYSICAL EDUCATION TEACHER CERTIFICATION CONCENTRATION

During the sophomore year, students intending to complete a teacher education program make formal application to the teacher education program. Normally, this occurs after the student has completed three semesters of full-time course work. Application is made to the COEHP Office of Student Advising and Field Experiences. For additional information, go to http://safe.columbusstate.edu/teacher_ed.php.

Additional Program Requirements
Following admission to the teacher education program, a review is conducted each semester to determine retention in the teacher education program.
