DEPARTMENT OF KINESIOLOGY & HEALTH SCIENCES

Overview

The Department of Kinesiology & Health Sciences offers undergraduate and graduate programs that prepare students for a variety of careers in health, education, and exercise science, as well as for admission into professional graduate programs such as physical therapy, athletic training, occupational therapy, physician assistant studies, and related fields. Our programs combine rigorous academic coursework with extensive practical experiences in school, clinical, and exercise settings. The Health and Physical Education programs are approved by the Georgia Professional Standards Commission, ensuring that candidates who successfully complete the program meet state requirements for initial teacher licensure in Georgia.
