

MIDDLE AND SECONDARY EDUCATION (EDS)

Program Overview

Teachers holding a T-5 teaching certificate (or eligible for T-5, master's level certificate) with at least two years of teaching experience while holding a valid teaching certificate may apply for admission to the Specialist in Education (Ed.S.) program. Education Specialist candidates develop content and pedagogical expertise as well as seek to influence educational decisions outside their own classrooms. They become increasingly accomplished teachers who display leadership. Our EdS program is a fully online program that can be completed in five semesters and it serves for teachers in any location of the state of Georgia. The program admits students for Summer and Fall terms only.

All educator preparation programs are approved by the Georgia Professional Standards Commission.
