

TEACHER LEADERSHIP (MED)

Program Overview

The Master of Education (M.Ed.) program in Teacher Leadership is designed for certified educators who want to remain in classroom teaching while simultaneously extending their influence beyond the walls of their own classrooms. It addresses the expanded roles and responsibilities of teacher leaders in schools, including data-driven decision making for school improvement, leading professional learning communities, applying research to practice, improving teaching and learning, and collaborating with families and the community. This 30-hour program includes six credit hours of internship, during which candidates engage in field-based application of their acquired leadership skills.

All educator preparation programs are approved by the Georgia Professional Standards Commission (GaPSC).

Career Opportunities

Upon successful completion of the M.Ed. in Teacher Leadership program, the candidate will be eligible for a Georgia teaching certificate (S-5; the letter "S" indicates that the certificate is in a service, P-12 field and the number "5" indicates that the candidate's highest degree is a master's degree recognized by the Georgia Professional Standards Commission).
