# **CORE CURRICULUM (ASCC)**

#### **Program Overview**

The Core Curriculum (ASCC) degree is a 2-year undergraduate transfer degree program designed largely for the completion of the general education requirements and related lower division studies typically pursued during the first two years of a four-year baccalaureate degree program. Most of the coursework in this transfer AS degree programs encompasses CSU's Core Curriculum requirements, which include some preparatory or introductory coursework for particular upper division majors. However, these transfer associate degrees do not include indepth studies in a particular major, as in-depth studies in a major field are typically pursued at the upper division level (last two years) of a four-year degree program.

#### **Career Opportunities**

The Associate of Science (AS) degrees is a 2-year undergraduate transfer degree program designed largely for the completion of the general education requirements and related lower division studies typically pursued during the first two years of a four-year baccalaureate degree program.

### **Program of Study**

KINS 1106	Lifetime Wellness	2
or PHED 1205	Concepts of Fitness	
Select one of the	following	1
Any PEDS coul	rse	
MUSC 1206	Body Mapping (Music Majors Only)	

<sup>1</sup> The hours applied in the Institutional Priorities; Mathematics & Quantitative Skills; and Technology, Mathematics, and Sciences areas must add to 18 credit hours.

ITDS 1145 Comparative Arts, though listed under both Fine Arts and Humanities, may be taken only once.
 At least 4 of the credit hours in this area must be in a lab science

course.

# **Major Requirements**

Code	Title	Credit Hours
Core Requiremen	ts	
Complete the Cor	e IMPACTS and Health & Wellness requirements.	45
Core Total		45
Field of Study Red	quirements	
•	es approved for Core IMPACTS or for the Field of bachelor's degree program that have not been re.	18
