

MATHEMATICS (BS) - SECONDARY EDUCATION CONCENTRATION

Program Overview

The BS in Mathematics - Secondary Education Track provides a sound foundation in mathematics, as well as course work necessary for teaching certification at the secondary level. As a part of UTeach Columbus (<https://uteach.columbusstate.edu/>), this program stresses early field experiences, inquiry based lessons, and highly engaged instruction. Education coursework focuses directly on math and science classroom settings.

All educator preparation programs are approved by the Georgia Professional Standards Commission. In addition to the degree requirements, there are further requirements for teaching certification. Visit the Certification page (<https://cctl.columbusstate.edu/certification.php>) on the CSU Center for Quality Teaching and Learning (CCTL) website for detailed information about certification requirements and the certification process.

Career Opportunities

Teaching at the secondary level, trade assistant, quantitative analyst
