

PUBLIC SAFETY (NEXUS)

Program Overview

The Nexus Degree in Public Safety is a 2-year undergraduate transfer degree program designed for the completion of the general education requirements and related studies typically pursued during the first two years of a four-year baccalaureate degree program and including 18 credit hours of public safety and policing curriculum. Most of the coursework in this degree program encompasses CSU's Core Curriculum requirements, which include some preparatory or introductory coursework for specific upper division courses. However, this degree does not include an in-depth study, as an in-depth study in a criminal justice major field is typically pursued at the upper division level (last two years) of a four-year program.
